

Sample ID: 31240210305279

Received date: Thu 25-Jul-2024

Report Date: Fri 09-Aug-2024

Client: Douglas Veitch

Animal name: Bear (Clumber Spaniel)

Animal DoB: 2021-07-26 00:00:00

Registration: Starmaking Phesi AY09279710

ID/Microchip/Tattoo: 953010005698394

Gender: M

Laboratory Test Certificate: Sample PGL-31240210305279

The results presented on this certificate are only valid for the sample which was submitted to our laboratory. The customer is responsible for the accuracy of the sample information submitted and the purity of the sample taken. On submitting the sample the customer agreed to our terms and conditions. For any inherited disorder there is also the possibility that other mutations not tested for (or not yet discovered) may cause the disease/phenotype. The analyses listed were carried out according to the knowledge and latest technology at the time of testing.

Results
