

Minority Breed Spaniel Challenge

WCSS host three working tests across the country, with the Maud Earl Prize being awarded for the overall best dog.

Scoring as follows-

1st Place (novice or open) = 10 Points

2nd Place (novice or open) = 7 Points

3rd Place (novice or open) = 6 Points

4th Place (novice or open) = 5 Points

COM (Novice or open) = 3 Points

No place but run in a test = 1 Point

The dog with the most points after 3 tests will be the winner. We hope this encourages people to enter all three tests and is a real incentive to maintain your dog to a high standard throughout the summer.
